Artus Cup

The famed Artus Cup versatility competition was won by Eilidh of Mendick and Pauline Linndorf with a display of baroque riding, while an imaginative creation involving archery, hunting and a team of four ponies (Duncan, Jason, Bertie and Romeo) was pipped to second post. For their beautifully-executed quadrille, Kilnacasan Romeo and Tower Cavalier were joined by an Irish and a Welsh cob and shared third place with Eva and Sterling, who demonstrated working equitation.
